

**Applerouth Tutoring Services is partnering with Marietta City Schools to offer SAT & ACT prep resources to all Marietta students in grades 8-12.**

Please follow the instructions below to get started!

**Step 1: Go to: <https://www.applerouth.com/marietta>**

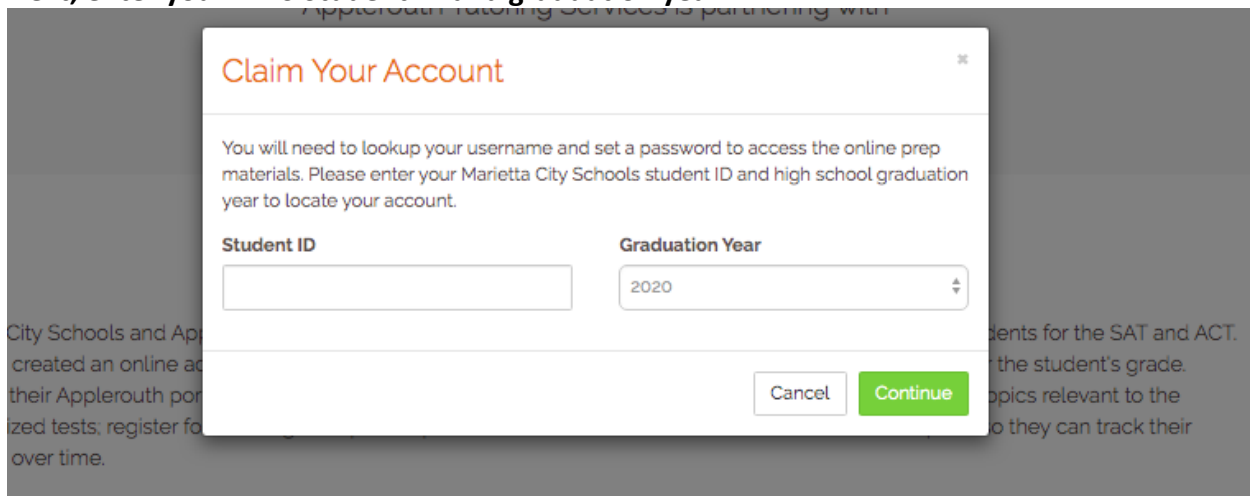

### The Program

Marietta City Schools and Applerouth have designed a comprehensive, multi-year program to prepare MCS students for the SAT and ACT. We have created an online account for each MCS student in grades 8-12 along with a curriculum customized for the student's grade. Through their Applerouth portals, students will be able to access online lessons; watch animated videos about topics relevant to the standardized tests; register for full-length, in-person practice tests at their schools; and view their score reports so they can track their progress over time.

**Step 2: Under "Claim Your Account," click on "I don't know my username/password." Next, enter your MHS Student ID and graduation year.**

### Step 3: Welcome to your Applerouth account! Please create a password.

Welcome to your Applerouth account. Please set a password for your account below. You may also change your username/email if you wish. Remember this information as you will need it to login to your account in the future.
